About Us

From the well-renowned team behind Osteria in Casuarina, and Taverna in Kingscliff, this waterfront wedding haven combines a beautiful outlook, Mediterranean beach club interiors and award-winning food to create one of the most sought after venues on the Tweed Coast. Positioned on the Tweed River, Ancora boasts uninterrupted views and is just 5 minutes from the Gold Coast airport and world-famous beach locations Snapper Rocks and Rainbow Bay. To help ease the pressures of wedding planning, we are an all inclusive venue, with on-site ceremony locations and indoor reception space featuring high ceilings and floor to ceiling windows, with all the reception essentials you will need, including tables, chairs and tableware. From start to finish, our team is dedicated to helping you plan and deliver your dream day. Our on-site wedding planners will work with you in the lead up to your wedding, available anytime for questions and creating your run sheet.

When your day arrives, our coordinators will ensure everything runs seamlessly.

The Chef Our group executive chef, UK born Matt Kemp, earned celebrity chef status after training and working at Michelin star restaurants in the UK and in Sydney, opening several of his own award winning venues, including Restaurant Balzac, working as part of the team that oversaw Australia's best restaurant in the mid 2000's, Banc, while heading up his own TV show, plus multiple appearances on Masterchef.

Matt has since moved north to the Tweed Coast and joins us with a simple philosophy to provide fresh, local, and seasonal menus for our guests. Matt's extensive experience and skill, ensures that your wedding guests will be treated to a food experience unrivalled in our region.
